Parking Information

It is recommended that all our guests park either in the Studio Arts, Campus Court Visitor, or Kress Parking Lots. For most events there will be outside signage with arrows directing you to the applicable parking lot.

Parking permits are required in all parking lots on the UW-Green Bay campus.

Permits may be requested in advance from the University Union Reservationist, or picked up at the Parking Office (brown building in the median of Main Entrance Dr.) on the day you are visiting our campus. Permits must be displayed with the top hooked over the driver's door window, secured by rolling up the window. Those hosting a large event (>50 people) you may contact Parking in advance to request a specific lot.
